- Increased service value and strengthened company reputation

TANET multiclean

green-Effective® Ready-to-use all purpose cleaner

- Quick-drying ■ Long-lasting scent ■ Antistatic

Product profile

- The time- and cost-saving TANET multiclean is a ready-to-use and versatile all-purpose cleaner which removes all types of dirt.
- The special combination of ingredients combines wetting capacity with a convincing cleaning performance.
- TANET multiclean removes finger prints, nicotine residues, grease and ink spots, pen and felt-tip lines.
- The quick-drying-formula guarantees shiny surfaces and makes them usable again after the shortest time.
- The material-friendly cleaning of TANET multiclean prevents streaks or residues, keeps the surface's original shine.
- TANET multiclean leaves a long-lasting pleasant scent and gives a comfortable feeling of cleanness and freshness.
- The antistatic effect also leads to less dust binding.

Area of application

- TANET multiclean is perfectly suited for the daily maintenance cleaning of all washable, smooth and shiny surfaces made of plastic, varnish, glass, ceramic and metal in office buildings, schools, hotels, or catering. Recommendable for the cleaning of doors, desks, cupboards, window benches, stainless-steel and soiled glass surfaces.
- The product can be used on PLEXIGLAS® / acrylic glass.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

concentrated

Surface cleaning: Spray onto a clean cloth and wipe the surface.

Product safety, storage and environmental instructions

Safety: For professional use only. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: Only give completely emptied container to special waste disposer. The product is not intended for large-scale cleaning. For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution.
