\*for more information please visit [www.wmprof.com](http://www.wmprof.com)

### Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 67% of organic carbon processed in TANET universal originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

### Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

### Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

# TANET universal

## green-Effective® Universal cleaner

- Unique performance ■ Pleasant scent ■ Versatile use

### Product profile

- TANET universal effectively dissolves oil and grease soiling and works cost-efficiently with unique cleaning performance.
- Pleasant scent, easy in application, and free from solvents.
- Time saving thanks to streak-free and stripe free cleaning (no rework needed).
- Good skin tolerance.
- The product can be used as manual dish washing detergent.
- TANET universal comes in a sustainable packaging made of 100% recycled plastic sourced from the „Yellow bag“ (post-consumer recyclat).
- Mainly composed of renewable sources, TANET universal takes on the responsibility for future generations.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**Manual floor cleaning:** Mop the floor wet or damp with a clean mop.

5-10 ml/L

**Maintenance cleaning:** Ideal for the cleaning of sinks and drip trays.

10-20 ml/L

**Manual dish washing:** wash the dishes and rinse with clean water.

### Area of application

- TANET universal is perfectly suitable for all water-resistant floorings e.g. stone, PVC, and other plastics, sealed wood and parquet. Also suitable for dishwashing.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. For further information see Safety Data Sheet.

**Storage:** Store at room temperature in the original container. Protect from frost.

**Environmental:** For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution. Dispose of container into the collection of recyclables only when it is completely empty.
