green-Effective® Sanitary maintenance cleaner

■ Eco-efficient performance with eco-effective product design

User and environmental safety at the highest cleaning performance

- Certified with the European Ecolabel (DE/020/382)
- Developed to fulfil the Austrian Ecolabel
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration

Complete biodegradability

- SANET lavocid with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard*

*for more information please visit www.wmprof.com

Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 87% of organic carbon processed in SANET lavocid originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

SANET lavocid

green-Effective[®] Sanitary maintenance cleaner

- Fresh fragrance ■ Non-viscous ■ Natural citric acid

Product profile

- SANET lavocid effectively removes lime scale, lime soap, water stains and dirt .
- SANET lavocid allows a simple and fast application due to the 1L bottle with angular nozzle.
- SANET lavocid has a very good emulsifying capacity on oily and greasy soils leaving no streaks.
- Because of its versatile usage possibilities, SANET lavocid is highly economical.
- SANET lavocid is based on natural citric acid.
- Its fresh and unique fragrance underlines the perfect cleaning result.

Area of application

- Suitable for all acid-resistant surfaces in the bathroom and sanitary area. Do not use on marble and other acid-sensitive materials such as enamel.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

2,5-25 mL/L

Manual floor cleaning: Mop the floor with a clean mop.
