E-CONTROL FOAM SOAP

Compatible only with Celta Megamini E-Control dispenser.

The system dispenses soft and bulky foam. Reduced rinsing time and guaranteed saving of water.

Consumption reduction: the concentrated soap turns into foam giving low maintenance costs and longer runtime.
800ml = 1000 doses.

Gentle on the skin: contains ingredients that take care of the epidermis, beneficial even in case of frequent hand washing.

Maximized Hygiene: disposable cartridges reduce crosscontamination.

Six cartridges per pack. Easily replaceable.
